Normandie Bedroom Collection

The elegance and quality of the Normandie bedroom range is clear to see in every piece in this exquisite collection. Made from solid Indonesian mahogany and mahogany veneers from managed forests where timber is grown for furniture production, all pieces in the Normandie range are enhanced by a high gloss finish and the deep patina of the wood. Gently bowed fronts on all the chest of drawers add to the elegance and sophistication of the range. With a choice of 3 bedstead sizes with high foot ends, a great of chest sizes, a choice of two wardrobes along with dressing table, stool, chair and more, the Normandie is a chic range that will work with so many bedroom styles.
