STOCKHOLM BLACK

THE STOCKHOLM DINING COLLECTION

The Stockholm dining collection which is available in black or white has a Scandinavian look and feel that is both contemporary and trendy. With its sleek edges and slim legs each piece in this stylish collection works on its own or together wonderfully. Featuring an extending table in black with optional extension leaf along with a grey carver chair plus a choice of two grey fabric benches, this range allows you to mix and match your seating arrangements to your particular requirements. What's more, it also has a choice of display cabinet and sideboard which adds to the appeal of this modern dining range.
