# THE LIVE EDGE DINING COLLECTION

Dine in style with the Live Edge dining collection. This compact dining range comprises of a stunning solid oak dining table and two beautiful faux leather dining chairs. The dining table has modern physique and a rustic look that would suit any contemporary dining setting. With attention to detail, this piece was crafted with a fabulous narrow steel frame. This dining table has many simple characteristics that amplify its beauty such as; its exposed oak grain, wooden knots and smooth curved edges. Exposing the live edge of its large wooden top this piece is the stamp of a truly rustic and earthy design. What's more, there is a choice of two matching dining chairs available the colours black or brown that would coordinate beautifully with this dining table or on their own.
