# THE GRIVOLA COLLECTION

Modern, distinctive and classically designed, the Grivola sofa collection is ergonomically engineered to provide superb comfort and relaxation. Available in a fantastic choice of fabric and leather grades and colour options, this wonderful high back sofa range is perfect for modern day family living. It comes complete with sleek armrests, undulating back cushion panels and a choice of either wenge gloss or black feet. Each electric reclining sofa and armchair also comes with a USB port as standard. Choose from a selection of size options including a 3 seater electric reclining sofa, 2.5 seater electric reclining sofa, and electric reclining armchair as well as modular configuration options, allowing you to design a sofa to suit your own personal requirements.
