Selva
Sofa Collection

The Selva sofa collection offers you the choice of either static or electric reclining functionality with each piece. The electric reclining is amazing in that it offers zero gravity meaning you are able to fully extend each piece so that you are completely lying down. Its slim arms and high back cushions also add to its appeal. It is available in a lovely selection of leathers and fabrics in a host of colours and grades and comes with wooden feet. Choose from a 3 seater sofa, 2 seater sofa, armchair and footstool and tailor make a sofa to your exact needs.
