# Tetrad Tallis

## Sofa Collection

The Tetrad Tallis sofa collection brings timeless elegance and classic comfort to your living space. Crafted by premium British brand Tetrad, the Tallis range is available in a broad selection of rich heritage fabrics, allowing you to create a look that reflects your personal style. With its rolled arms, gracefully curved back, and yesteryear charm, the Tallis is a true nod to traditional design. It features a serpentine sprung seat and back with a foam overlay for superb support and comfort, while the hardwood turned feet—available in dark mahogany, driftwood, or natural finishes—add a refined touch. Each sofa and snuggler comes with feather-filled scatter cushions for an added layer of luxury. The Tallis is perfect for those who appreciate classic British styling with modern comfort.
