## Sofa Collection

Striking and stylish, the Andrea sofa collection blends contemporary design with exceptional comfort and customisation. Available in a choice of premium leather or fabric finishes, this modular range lets you create the perfect layout to suit your space — big or small. Featuring electric reclining seats and adjustable headrests, the Andrea offers tailored relaxation at the touch of a button. Distinctive wide arms, sleek black metal legs, and refined stitch detailing on the seat and backrests give it a bold, modern edge. With high-resilient foam cushions, no-sag spring seats, and a focus on ergonomic support, the Andrea collection delivers both style and substance. It is available in a variety of modular combinations to suit your lifestyle.
