Dining Collection

Elevate your dining space with the Daytona Collection - where refined design meets natural warmth. The Daytona dining chairs feature breathable linen upholstery in soft Grey or warm Beige, with button-back detailing, gentle curves, and angled light-wood legs for timeless appeal. Perfectly paired, the Daytona Dining Tables are crafted from reclaimed pine, showcasing rich knots, grain, and a weathered patina that brings rustic character and eco-conscious charm. Available in a 6-person rectangular design with a parquet tabletop, or a more intimate 4–6 person round version featuring a plain wood top, each table offers a welcoming centrepiece for everyday meals or special gatherings. The cohesive styling allows for effortless coordination: the airy linen chairs complement the textured wood, blending comfort and heritage. Ideal for modern or traditional interiors, the Daytona Collection is designed for those who value craftsmanship, sustainability, and enduring elegance in their dining experience.
