Sofa Collection

Combining traditional charm with modern comfort, the Ancona sofa collection is available in both manual and electric reclining options. The armchair also comes in a lift & rise reclining version, ideal for enhanced mobility and ease of use. Each piece features elegant showwood detailing in a light wood finish, complemented by very slim armrests that gently cascade over the timber for a refined look. Designed with comfort in mind, the Ancona range includes high back cushions that offer excellent neck support, along with good lumbar support for everyday relaxation. Available in a wide selection of high-quality fabrics and leathers in various grades and colours, each piece is built with no-sag spring seats, high resilient foam, elastic webbing in the backrests, and Dacron fibre-filled cushions for lasting comfort.

3 Seater Manual/Electric Reclining Sofa
