Storm Dining Collection

The Storm Dining Collection features furniture that artfully balances bold, natural aesthetics with refined craftsmanship - each table is constructed from a thick ash-veneered MDF top, solid ash legs, and showcases a distinctive V-groove detail that makes the pieces both sculptural and functional. Available in black, natural oak, and walnut finishes, the variety ensures the collection integrates seamlessly with a wide range of interiors. The collection includes four different sized dining tables and two occasional tables, offering flexible solutions for both dining and living spaces. Paired with the Wow dining chair which is available in a variety of colours & fabrics, the Storm collection achieves a harmonious look: the soft upholstery of the chair complements the wood tones, while its sleek metal legs echo the collection's mix of organic forms and modern elegance.
