Sofa Collection

The Fossano sofa collection brings effortless comfort and modern design together in two beautifully crafted sizes, a 3 seater and a 2 seater sofa, each offering full electric reclining for the ultimate in relaxation. Upholstered in a rich mocha coloured leather, these sofas add warmth, style, and refinement to any living space. Built for long-lasting comfort, the Fossano features no-sag spring seats paired with high resilient foam, ensuring exceptional support whether you're sitting upright or fully reclined. The back cushions use elastic webbing and soft Dacron fibre to deliver a wonderfully comfortable, cushioned feel, while the wooden feet provide a subtle, natural finish that complements the overall design.
