Halfden Bedroom Collection

The Halfden Bedroom Collection blends modern sophistication with practical design, creating a cohesive and stylish bedroom setting. At the heart of the range are elegant bouclé upholstered bed frames with distinctive winged headboards, supported by strong wooden frames for lasting durability. Available as standard bedsteads and ottoman beds in double and king sizes, the collection comes in soft white and grey bouclé fabric to complement contemporary interiors. The ottoman beds feature a sprung slatted base and hydraulic lift mechanism, providing generous hidden storage while maintaining comfort and support. Completing the collection are beautifully crafted storage pieces, including a 4 drawer chest of drawers and 2 drawer bedside locker with a striking dark wood chevron pattern finish that adds warmth and texture to the room. Together, the Halfden range creates a refined and functional bedroom environment, combining elegant materials, thoughtful storage, and timeless modern design.
