Dining Collection

The Blair Dining Collection brings together sculptural design and everyday functionality to create a beautifully modern dining space. Defined by soft curves and contemporary silhouettes, the collection includes two striking Blair Dining Tables in Terracotta and Sand finishes. Each table features a distinctive curved tabletop and bold tapered legs, offering a statement centrepiece that comfortably seats family and guests. Complementing the tables, the Blair Dining Chairs showcase a supportive curved backrest and fully upholstered design for stylish comfort. The fabric upholstery continues seamlessly down the slim metal legs, creating a cohesive and refined look from top to base. Available in Dark Grey, Green, Terracotta and Beige, the Blair Dining Collection allows you to mix and match tones for a warm, modern dining setting that feels both inviting and sophisticated.
