# Sherborne Dakota Sofa Collection

Discover exceptional comfort and supportive design with the Sherborne Dakota Sofa Collection, a versatile range created to suit modern living spaces. Featuring a stylish armchair, 2 seater sofa, and 2.5 seater sofa, this collection combines contemporary styling with Sherborne's renowned craftsmanship. Each piece showcases soft, generously padded arms and deep cushioning, delivering a relaxed seating experience perfect for everyday comfort. The Dakota collection is available in five comfort options: static, manual reclining, electric reclining, electric reclining with adjustable headrests, and electric reclining with both adjustable headrests and adjustable lumbar support, giving you the freedom to choose the perfect level of support. Electric models include a USB charging port and the innovative Cloud Comfort (Tri-Motor) mechanism, enabling independent adjustment of the backrest and footrest with an additional motor that gently tilts the chair for enhanced comfort and support. The collection is available in standard fabric and Aqua Clean fabric in a wide choice of colours, making it easy to coordinate the Dakota range with your home décor while enjoying practical, easy-care upholstery.
