Sofa Collection

The Santorini Sofa Collection combines contemporary elegance with exceptional comfort, making it a stylish centrepiece for any modern living space. Upholstered in your choice of two beautiful tones of silk/light grey or natural, this collection features soft, flowing curves and generous high back cushions that create a welcoming and sophisticated look. Designed with relaxation in mind, Santorini offers excellent support and comfort. The seats feature high density foam with coil interiors for lasting durability and supportive comfort, while the backs are deeply fibre filled to provide a soft, cosy feel. Hidden feet enhance the clean, streamlined design, allowing the smooth curved lines of the furniture to take centre stage. The range includes a 5 seater sofa, 3 seater sofa, armless swivel armchair and a matching footstool/ottoman, giving you flexible options to create a beautifully coordinated living area. Backed by a 10-year warranty, the Santorini collection delivers both style and peace of mind for years of comfortable living.
