

Monika Sofa Collection

Monika

Sofa Collection

The Monika Sofa Collection is a beautifully compact range that blends clean, contemporary style with everyday comfort. Upholstered in a lovely beige fabric, the collection has a soft, neutral look that works effortlessly in a wide variety of interiors. Dark wooden legs provide a stylish contrast and add a touch of warmth to the overall design. The range features a 3 seater sofa with a curved chaise, which can be configured on either the left-hand or right-hand side to suit your space. A matching curved ottoman and a square shaped armchair complete the collection, offering flexible seating options for modern living. Designed with a relaxed yet refined feel, the Monika sofa includes two bolster arm cushions for added comfort, while the simply shaped back cushions provide supportive height and a clean, uncluttered appearance. Perfect for homes that favour a pared back aesthetic with a modern touch, the Monika collection delivers style, comfort and versatility in one elegant package.
