## Bedroom Collection

With clean, contemporary lines, the Rimini bedroom collection is made using carefully selected Ash solids and Oak veneers and finished in a striking combination of aged oak and contrasting weathered oak. It is the refined details that set this range apart, such as geometrical spindles set in a bevelled and tapering frame, striking drawer recesses, and dovetail handles. Balancing cutting edge engineering with high quality mechanisms such as superior soft closing drawer runners, Rimini is a stylish range that will continue to exceed expectations for years to come.
