Dining Collection

The Gabriella dining collection combines contemporary elegance with bold sculptural design, making it a standout choice for modern interiors. Crafted in a rich black wood veneer, each piece features a striking ridged base that adds texture and visual interest. The collection includes 6 and 8 seater dining tables with beautifully detailed herringbone pattern tops, perfect for stylish entertaining. Complementing the tables, the 4 door sideboard offers generous storage and is finished with sleek gold metal handles for a refined touch. A matching coffee table and round side table bring cohesion to your living and dining spaces. Completing the look, the off-white upholstered dining chair with black metal legs provides comfort and contrast for a sophisticated finish.
