

Tenby Dining Collection

Tenby Dining Collection

A timeless blend of rustic charm and contemporary design, crafted from solid oak and finished in a soft whitewash, each piece in the Tenby dining collection showcases the natural grain and character of the wood while offering a light, airy aesthetic that suits a variety of interiors. At the heart of the collection is a beautifully designed dining table, featuring a distinctive wooden star shaped base that adds architectural interest and a touch of modern flair. The tabletop is gently rounded at the edges, creating a softer silhouette that invites relaxed dining and effortless conversation. We've paired the tables with the beautiful upholstered Noah dining chair in light grey but they will work with a host of different dining chairs. Thoughtfully crafted and built to last, this collection is perfect for everything from casual family meals to elegant dinner parties.
