Dining Collection

The Austin dining collection brings elegance and functionality to your home with its versatile pieces, all crafted from stunning white oak. The collection includes a 10 person and 8 person dining table, perfect for hosting gatherings, as well as 4 and 3 seater dining benches that complement the spacious seating options. The tables also pair with the beautiful upholstered Rory and Jacob dining chairs in faux suede but will work with a host of different dining chairs also. For added storage, the 4 door sideboard and 2 door highboard storage units offer both style and practicality with their push close doors. The collection also includes a sleek 2 door TV unit, a bookcase for your treasured reads, and a console table to enhance any entryway. A contemporary coffee table and lamp table complete the look, all with soft rounded edges that add warmth to the design. Each piece is thoughtfully designed to blend seamlessly into any modern living space while providing both form and function.
