Dining Collection

The Charlotte Dining Collection exudes modern elegance with its sculptural designs and luxurious finishes. Featuring a quartz marble tabletop with a distinctive sculptural fluted base, the collection includes both a 6 person oval dining table and a 4 person round dining table, each finished in a sophisticated travertine colour. In addition to the dining tables, the collection offers versatile accent pieces such as a console table, a coffee table, and a side/lamp table, all showcasing the same elegant fluted base and quartz marble top. The fabric dining chair complements the tables with its natural boucle upholstery and curved backrest, paired with slim metal legs for a refined look. The collection's combination of sculptural elegance and soft, neutral tones brings a sense of sophistication to any modern dining or living space. Ideal for those seeking a stylish yet inviting atmosphere, the Charlotte Dining Collection blends timeless materials with contemporary design.
