Kristina

Sofa Collection

The Kristina Sofa Collection is a beautifully designed range that combines understated styling with exceptional comfort. With its elegant high back cushions and refined arm design, Kristina offers a sophisticated look that suits both contemporary and classic interiors. A distinctive feature of the collection is the pale wood showwood detail to the front, adding a subtle Scandinavian inspired touch and enhancing its overall aesthetic. Available in a wide selection of fabric and leather grades and colours, Kristina can be tailored to complement your home perfectly. Comfort is key, with high resilient foam seat cushions supported by elastic webbing for lasting durability, while the back cushions are filled with soft Dacron fibre for a more relaxed feel. Both seat and back cushions are removable for added practicality. The range includes a 3 seater sofa with a choice of two or three seat cushions, a 2 seater sofa, armchair and matching footstool, offering flexibility for a variety of living spaces. Stylish, comfortable and versatile, the Kristina collection is a timeless addition to any home.
