The Valais Sofa Collection offers the perfect balance of contemporary style, comfort and flexibility, allowing you to create a seating solution tailored to your home. With its clean lines, square armrests and structured back cushions, Valais delivers a modern, understated look that works beautifully in a wide range of interiors. Dark square legs complete the design, adding a subtle contrast and a refined finish. Available in a wide choice of fabric and leather grades and colours, the Valais range can be customised to suit your style, while options for static or electric reclining models ensure comfort is always a priority. The collection also features a variety of modular pieces, giving you the freedom to design your ideal layout, whether that's a compact sofa or a spacious corner arrangement. For added practicality and relaxation, modular options include a central console with cupholders and storage, as well as a rectangular footstool. Each piece is designed with comfort in mind, with supportive seating enhanced by lumbar cushions that provide extra back support. Stylish, versatile and made for modern living, the Valais collection is the perfect choice for creating a sofa that truly fits your lifestyle.
