Sofa Collection

The Constance sofa range combines contemporary style with inviting comfort, featuring a beautifully curved profile and elegant self piped detailing. Designed with a streamlined silhouette, the sofa frame at the back and sides sits neatly on the floor with discreet hidden glides for a clean, modern finish. Available in a choice of three standard fabric colours, Constance can also be customised with a selection of additional fabric options, allowing you to create a look that perfectly complements your home. Choose from a 3 seater sofa, 2 seater sofa or snuggler to suit your space. The generous back cushions are deep filled with soft fibre for a wonderfully comfortable feel, while the seat cushions combine coil seating with high density foam to provide excellent support and lasting comfort. Complementary bolster cushions are included for added style and support.
