# Sofa Collection

The Tuscany Sofa Collection is a beautifully contemporary range that perfectly blends comfort, support, and style. Designed to suit modern living, each piece is fully bespoke, allowing you to create the perfect fit for your home. With high back cushions that provide excellent neck and lumbar support, and sleek square armrests for a refined look, Tuscany delivers on both relaxation and design appeal. Choose from a wide selection of static or electric reclining options, including modular pieces that let you create a spacious corner sofa or an extra-long design tailored to your space. The collection is available in an extensive range of luxurious fabrics and leathers in multiple colours and grades, ensuring a look that suits every taste. Built for lasting comfort, Tuscany features no-sag spring seats with supportive foam filling, while the backrests use rubber webbing and plush 100% loose fibre cushions for a soft, inviting feel. Electric models include USB ports for added convenience, and each piece is elegantly finished with Wenge feet, completing this versatile and stylish collection.
