TURNBERRY DINING

# THE TURNBERRY COLLECTION

The Turnberry 6 person wooden dining table and Turnberry antique faux leather chair brings a new dimension to the dining room or kitchen. Featuring the stunning 'Industrial Luxe' style, they feature a mix of materials normally found in an industrial or commercial setting that have been restyled for domestic living. The distinctive angled legs on the table give this range its quirky look. They have been designed to give a tall and slender look to the dining table whilst the acacia wood has been left natural to show off its distinctive colour palette and its gorgeous unique grain. The Turnberry chair equally has a lovely pattern affect and a gorgeous antique faux leather colour.
