# THE MARTINE SOFA COLLECTION

Bellissimo – is the best word to describe this gorgeous Italian sofa collection. Sleek, stylish, comfortable and oozing Italian charm, the Martine sofa from Egoitaliano is Italian personified! Available in standalone sofa sizes or in an extensive range of modular unit sizes, you have the ability to design a sofa that suits your needs and personality. What's more, the Martine is available in a range of gorgeous Italian leather colours and microfibre fabrics along with a choice of metal coloured legs. It is also available in both static and electric reclining versions so you can customise your sofa even more. Below we have featured just a fraction of what's available with this range.
